PROFESSIONAL SUMMARY

Ambitious Computer Science graduate with strong proficiency in software development. Have an ability to build and optimize responsive, web applications utilizing Java, React.js, and JavaScript. Eager to contribute to innovative projects by building scalable solutions and working across teams.

EDUCATION

Maharaja Institute of Technology, Mysore   Mandya, Karnataka
Bachelor of Engineering – Computer Science and Engineering | CGPA – 8.2/10   (2021-2025)
Daksha PU College   Mysore, Karnataka
Pre-University Education | Science (PCMB)| Percentage: 77%   (2019-2021)
Talent High School   Hunsur, Karnataka
Secondary Education | Percentage: 86%   (2018-2019)

EXPERIENCE

ICT ACADEMY - Infosys Foundation, Mysore – Internship Trainee   (11/2024) - (12/2024)
- Acquired hands-on experience with Azure AI services, including resource creation, key configuration, and RESTful API integration through ICT Academy.
- Completed labs like AI-102T00-A, covering tasks such as image and text analysis, custom models, OpenAI integration, and language understanding.
- Participated in structured training for AI-900 and AI-102, focusing on practical AI solutions, including speech recognition, prompt engineering, and Azure AI Search.

Arcolab Pvt Ltd, Bangalore – Intern (Web Developer)   (10/2023) - (11/2023)
- Acquired hands-on experience in front-end development, contributing to the redesign of website features.
- Worked closely with senior developers to optimize website functionalities, resulting in a 20% reduction in page load time.
- Developed and deployed two mini-projects, enhancing the site's interactivity and user experience.

PROJECTS

- **Career Navigator – Final year Project:** [Career-Navigator]
  Developed a full-stack web app using React, JavaScript, and MongoDB. Integrated Gemini for AI-driven guidance and JDoodle API for real-time code execution to offer personalized, interactive learning. The goal was to make technical preparation easier and less stressful for students and job seekers by providing structured and previous repeated questions.

SKILLS

- **Development Tools**: React.js, MySQL, MongoDB, Django, Git, GitHub.
- **Programming Languages**: Java, SQL, HTML, CSS.

CERTIFICATION

- **Java Full Stack Course –** Jspiders Rajajinagar, Bengaluru   June 2025 - Present
- **Front End Development Libraries** – FreeCodeCamp   June 2024
- **Responisve Web Design** – FreeCodeCamp   November 2023
